Thanks. Will Region 5 get an opportunity to review?

Subject: Draft Neonicotinoid Labeling

Dear Don & Ed:

Steve Bradbury asked that I send you the neonicotinoid labeling that we have drafted. We would appreciate your thoughts and are requesting a quick response.

There are 2 documents, both are intended to be put on the labels. One is a Pollinator Protection Box, like a Worker Protection Box, which would appear below the Environmental Hazards section. The second document is text that is to go in the Directions for Use. Both use a "bee icon."

If you could get back to us by tomorrow or Thursday morning, that would be great.

Thanks very much,
Meredith
